

IT IS DAY ONE FOR MS. ABRIA BLUM AS DIRECTOR OF THE FLORENCE MONTRÖSE HOSPITAL.
THE FIRST THING SHE DOES IS CALL A STAFF MEETING.

I'VE CALLED YOU HERE TO WARN YOU THAT I'M GOING TO STOP THE TREATMENTS I FIND USELESS.

STOP OUR TREATMENTS!
ARE YOU NUTS?!

A LITTLE LATER WHILE MAKING HER ROUNDS...

WHAT ARE YOU DOING TO THIS MAN?

I'M CURING HIS ILLNESS.

WHAT'S WRONG WITH HIM?

HE THINKS HE IS ONLY 5 YEARS OLD. I'M USING ELECTRIC SHOCK TREATMENT TO STOP HIM FROM WETTING HIS BED. I THINK IT WILL WORK.

DON'T CARE IF IT WORKS OR NOT!!! IT'S INHUMAN IT MUST STOP!!!
